

YELLOWSTONE

December 1, 2017

Dear Neighbor,

Fire & Ice Productions, Inc. is currently filming a TV series entitled "Yellowstone" in the Salt Lake area. This company is applying for a permit to film in and around the Capitol Complex and in the Capitol Hill Community on **Sunday, December 17, 2017 for a few hours between 7:00am - 7:00pm**. You are receiving this letter because the production has requested street closures to thru traffic in the area. This production wants to notify you of this permit request and ask for your cooperation with parking and traffic detours in certain areas.

Filming activities will affect the following streets (see map on reverse):

State Street from Temple to 300 North

300 North from Main to Capitol

Capitol Blvd from 300 North to 500 North

We will have updated information on exact times and filming locations in the coming days and will return to update you as we get closer to the filming date. There will ALWAYS be a fire lane open within the closure in the event of an emergency. Residents and Businesses will have access to and from their property and we will not block entrances without permission.

The production company is working closely with Salt Lake City events and permit office, the SLCPD and with the Utah Film Commission. With their assistance and the support of the residents in the area the production company will be able close to accomplish the scenes at and around the Utah State Capitol.

We realize that we are guests in your community and as such, we will strive to be as small of a disturbance as possible. We will make every effort to minimize our impact on the day to day schedule of residents and business patrons. If you have any questions or concerns regarding this film event, please feel free to call or email us any time using the following information.

Please call or email us at the contact below to coordinate any parking or planning conflicts as we would like to keep in touch about conflicts and changes.

Thank you in advance for your help.
