

2013 Sanitation Program

Glass Recycling

- As of this week we almost 2000 subscriptions to the curbside glass pickup program.
- This year 130 tons of glass is being recycled every month between the curbside pickup and the drop off locations throughout the city.
- The cost is \$6.00 a month
- To subscribe go to www.slccgreen.com or call 801-535-6999.
- Curbside pickup is available city wide now.

Green Waste Curbside Bins

- So far this year we have picked up 4856 tons of green waste.
- A smaller 40 gallon yard waste bin is available, to downsize your bin call the Sanitation office at 801-535-6999.
- The City's Compost Program is provided year round to divert compostable yard and vegetative (fruits & vegetables) waste from the city's landfill. Last year, over 20% of the city's total waste stream was diverted through the Curbside Green Waste Program alone!

Neighborhood Cleanup Information & Helpful Instructions

- We have completed 9 of the 28 areas. We have collected 980 tons of bulky waste. (Green waste tonnage is not included)
- Place piles street side no sooner than five days before your cleanup date.
- Piles must be out by Monday at 7:00 AM of your scheduled pickup week.
- Do not block traffic, bike lanes, fire hydrants or sidewalks.
- Keep piles away from light poles, mailboxes, trees, planters and parked vehicles.
- NCU is for BULKY WASTE only. Any material that can fit in your recycle, yard waste or garbage container should be placed in the appropriate container.
- Stumps and limbs must be placed in a separate pile and no longer than 8ft. long. Lumber is not allowed in this pile. Cut down and place green waste material in your yard waste bin whenever possible
- Report illegal piles or dumping to Salt Lake County Health Dept. by calling 385-468-3835.
- Recycle usable items as much as possible. Charitable organizations (Deseret Industries and Salvation Army, etc.) will accept old appliances, furniture and clothing. For information on unusual recyclable items call 801-974-6902.
